

Order Easter Flowers

Easter will be upon us before we know it. In preparation, we are taking orders now for the flowers that will adorn the Church.

Because time is short, we are preordering a mixture of tulips, lilies and hyacinths.

This Easter, these beautiful spring plants are \$10.00 each. If you would like one, we must know by March 19th. Please print this form and return the bottom portion with your check to the office.

Please indicate: I am giving these flowers for/in honor of:
